Prince Prajapati

DOT NET DEVELOPER

CONTACT

- **+91 8853515454**
- **prjptprince106@gmail.com**
- **Lalganj Raebareli Utter Pradesh**
- **My Portfolio(Website)**

SKILLS

- Dot Net Core MVC
- Dot Net MVC
- Asp Dot Net MVC
- Web Apis
- MS. SQL Database
- Oracle Database
- Angular
- SQLite 3 Database
- JavaScript
- Desktop Application
- Window Service's

ADDITIONAL SKILLS

- ✔ **Flutter 2.0 And 3.0**
- ✔ **Xamarin Android**
- ✔ **My SQL Database**

PERSONAL INFO

With 3.11 years of experience as a dedicated .NET developer, I have honed my skills in crafting efficient and maintainable code that aligns with industry standards. Adept at debugging and troubleshooting, I've played a crucial role in swiftly resolving issues to ensure project continuity. My collaborative spirit shines through as I actively engage with team members, fostering an environment conducive to successful project outcomes.

EDUCATION

Amity University   **2024 - Pursing**
Masters of Computer Applications

Feroz gandhi institute of professional studies   **2017 - 2020**
Bachelor of Computer Applications

Baratilal Gangaram Saraswati Vidya Mandir Inter College   **2013 - 2015**
High School (**10th**)

Baratilal Gangaram Saraswati Vidya Mandir Inter College   **2015 - 2017**
Senior High School (**12th**)

EXPERIENCE

STERCO DIGITEX PRIVAET LIMITED   **May 2023 - Present**
Dot Net Developer

- Develop software applications using Microsoft's .NET Core framework.
- Write code in languages like Vb .net or C# for cross-platform applications.
- Design and implement scalable and high-performance solutions.
- Collaborate with teams to ensure seamless integration of .NET Core components.
- Stay updated with the latest .NET Core features and improvements.
- Troubleshoot and optimize applications for performance and security.
- Maintain and upgrade existing applications.

INSEPARABLE TECHNOLOGIES PVT. LTD.   **Feb 2020 - May 2023**
Dot Net Developer

- Develop software applications using Microsoft's .NET framework.
- Design software solutions and determine application architecture.
- Troubleshoot and debug issues in the software.
- Collaborate with teams and stakeholders in project development.
- Maintain and upgrade existing applications.
- Write code in languages such as Dot NET, Flutter, Xamarin, Etc.

TOOLS

- ✅ Visual Studio 2010,12,17,19,22
- ✅ SQL Server Management Studio
- ✅ SQL Developer(Oracle Database)
- ✅ Internet Service Provider (IIS)
- ✅ Android Studio(IDE)
- ✅ VS code(Code Editor)
- ✅ Google FireBase

SOCIAL CONTACT

- Ⓢ **PRINCE PTAJAPATI**👆
- ✳ **PRINCE PTAJAPATI**👆

ACHIEVEMENT

- ✅ Certificate course in (core java) Summer Training 2019
- ✅ Solved 50 plus programming problems in various sites like
  - 🌀 **Codewars**👆
  - 🔵 **LeetCode**👆

HOBBY

PERSONAL SKILLS

- Good communication - written and oral skills
- Excellent conceptual and analytical skills
- Effective interpersonal skills

LANGUAGE

- Hindi

- English

PRESONALITY

- ✅ Communicative
- ✅ Punctuality
- ✅ Creativity

PROJECT

➤ **Feroz gandhi institute of professional studies Raebareli Utter Pradesh(College)**

✅ **Alumni management system**

- Send emails via college registered mail
- Build resumes with default template
- Used html, CSS, bootstrap and JavaScript for frontend
- PhpMyAdmin Database

➤ **Project's in Inseparable Technologies Pvt. Ltd.**

✅ **Ecommerce Mobile Application (Xamarin Android)**

- User Registration and Authentication
- Authentication By Google Mail
- In this project I provide support the seniors and fix bug and also some add some function or enhancement

✅ **Ecommerce Website (Asp . Net)**

- • Add Restaurant and order and online payment integration

✅ **HTML pages using CSS JavaScript**

- • www.inseparabletech.com

✅ **HYBRID CASH ETC MOBILE APP (Development Assist)**

- ETC Transactions complete by using hand-held
- (integrate with the Provided SDK)
- For the Offline Transaction Using SQLite 3 Database

✅ **ETC MOBILE APPLICATION (Development Assist)**

- ETC Transactions complete by using hand-held
- (integrate with the Provided SDK)
- For the Offline Transaction Using SQLite 3 Database

✅ **TASK MANAGEMENT SYSTEM (Development Lead)**

- Used technology (DOT NET MVC , DOT NET API'S, JAVASCRIPT AND BOOTSTRAP)
- Using SQL Server 2019 Database for the data storing
- Add Project Management and task management functionality on the application

✅ **Remote desktop application (Development Lead)**

- Used technology (Win From, RDP , .NET Remoting)
- Using SQL Server 2019 Database for the storing connection and password

✅ **Advanced Toll management system (Development Support And Assist)**

- Used technology (.NET MVC, Win From, API'S , SDK)
- Using SQL Server 2019 Database for the storing Information's
- Instigate HTMS devices (E.g. MET Device's, VIDS Cameras)

✅ **HRMS web application and mobile application (Development Lead)**
- Get User Live location with User Permission (mobile Application & web application)
- Send to the device Firebase notification manage and reschedule all notification (mobile Application)
- Using database SQLite3 database (mobile Application) SQL server 2019 database (web application)

✅ **Toll Management System (TMS) (Development Support And Assist)**
- For Reporting Using Crystal report for showing all report in all format
- Access Oracle and MS SQL Server database in single project

✅ **Hardware integration (integrate with the Provided SDK)**
- Integrate Integrate Camera (Hikvision, Unv, Ahuja (Dahua), Sparsh (Api Based)
- Integrate RFID Fix Reader (Zebra , Ontiga,Tag Master, BISO)
- Integrate Barrier Gate Controller Card (Sagar, Kavyan, BISO, Phenix)
- Integrate hand-held reader (Xamarin Android, Java Android) (Chain way, Seuic Utouch)

✅ **Toll Management System 2.0 (CURRENTLY ON GOING) (Development Lead)**

❯ **WEB APPLICATION (Dot Net Core 5.0)**
- Database Connectivity with ORACLE Database and Microsoft SQL Database using entity framework
- Crystal report (reporting) in asp .NET and Connect with Encrypted Query String

❯ **LANE APPLICATION (Windows Presentation Foundation (WPF))**
- Database Connectivity with ORACLE Database and Microsoft SQL Database using entity framework
- Hardware Instigation(RFID, CAMERA, CONTROLLER, OHLS)
- Complete Transaction with in a millisecond With the help of multi threading and socket

❯ **PLAZA APIS (Dot net Core Web Apis)**
- Database Connectivity with ORACLE Database and Microsoft SQL Database using entity framework
- Tokens base Authentication (20 min Section)

Note ➡ *This Project Based on LAN base Network for security purposes and sending data with bank via bank Apis*

❯ **Project's in Sterco Digitex Privet Limited**

✅ **Daiwik ERP (Dot Net Core 7.0 MVC) Reporting (Asp .NET) (CURRENTLY ON GOING)(Development Lead)**
- Database connectivity with Microsoft Sql Server 2008
- ERP based on Dapper and Ado .NET Core MVC Architecture and Crystal Reports With Asp .NET (Ado)

✅ **ABESIT University (Dot Net Core 6.0 MVC With Dapper)(Development Lead)**
- Database connectivity with Microsoft Sql Server
- Website based on Dapper and Ado .NET Core MVC Architecture
- Implement Backoffice ERP Concept And All the information Bind In Website

✅ **Lakhani India Limited ERP (Development Support And Assist)**
- Database connectivity with Microsoft Sql Server
- Reporting Based Asp .NET With on ADO .NET And Crystall Reports

✅ **Mundra Konnect ERP (Development Support And Assist)**
- Database connectivity with Microsoft Sql Server
- Reporting Based Asp .NET With on ADO .NET And Crystal Reports

Note ➡ *Support all the Running Erp Project and Implement and discuses all the new upcoming project*

GIVEN THIS JANUARY 24, 2024

Transforming complex challenges into innovative solutions, fueling success through strategic
thinking and technical expertise And Continuous learning and growth are the keys to unlocking
limitless potential.
